***Kentucky Health* discusses what to know about the most common lung diseases**

FOR RELEASE: May 18, 2020

Dr. Wayne Tuckson talks about the causes of and treatments for the most common lung diseases with his guests Dr. Wesley J. McConnell, MD, a specialist in pulmonary medicine at Kentuckiana Pulmonary Associates, and Deena Kinkade Adams, M.S. Ed., executive director of the American Lung Association in Kentucky.

Kentucky Health: Catching My Breath: Lung Diseases and Their Causes airs Friday, May 29 at 6/5 pm on KET.

Kentucky Health is a weekly KET program that seeks to improve the people's health through education and increased awareness. *Kentucky Health* is hosted by Dr. Wayne Tuckson, a colorectal surgeon in Louisville, and produced by Laura Krueger.

KET is Kentucky's largest classroom, where learning comes to life for more than one million people each week via television, online and mobile. Learn more about Kentucky's preeminent public media organization at KET.org, on Twitter [@KET](https://twitter.com/KET) and at facebook.com/KET.
