***Coronavirus: A Kentucky Update* discusses the science behind tracking of COVID-19 cases and mental health**

FOR RELEASE: May 26, 2020

On the next *Coronavirus: A Kentucky Update*, Dr. Wayne Tuckson discusses the science behind tracking of COVID-19 cases as well as the importance of mental health during social distancing. Guests for the program include:

- Allen Brenzel, MD, medical director of the Kentucky Department for Behavioral Health, Developmental and Intellectual Disabilities
- Steven Stack, MD, commissioner of the Kentucky Department for Public Health
- Mark Hamblin, 49, COVID-19 survivor from Breathitt County
- Courtney Frazier, 23, COVID-19 survivor from Breathitt County
- Dick Clay, 68, COVID-19 survivor from Jefferson County

Coronavirus: A Kentucky Update airs Friday, May 29 at 8:30/7:30 pm on KET.

Coronavirus: A Kentucky Update is a weekly KET program hosted by Dr. Wayne Tuckson, a colorectal surgeon in Louisville, and produced by Laura Krueger.

KET is Kentucky's largest classroom, where learning comes to life for more than one million people each week via television, online and mobile. Learn more about Kentucky's preeminent public media organization at KET.org, on Twitter [@KET](https://twitter.com/KET) and at facebook.com/KET.
