## **Weather experts discuss the Western Kentucky tornadoes and ways to prepare for storms on ‘Severe Weather: Staying Safe 2022’**

FOR RELEASE: March 9, 2022

The tornadoes that struck Western Kentucky in late 2021 were some of the worst weather-related disasters in state history.

KET presents *Severe Weather: Staying Safe 2022*, which features a panel of weather experts discussing last year’s tornadoes and offering advice on how to prepare for surprise storms.

*Severe Weather: Staying Safe 2022* airs on Monday, March 14, on KET at 9/8 pm.

*Severe Weather: Staying Safe* is a production of KET in partnership with the Kentucky Division of Emergency Management and the Kentucky Weather Preparedness Committee.

KET is Kentucky’s largest classroom, where learning comes to life for more than one million people each week via television, online and mobile.
