‘Kentucky Health’ discusses migraines and headaches

FOR RELEASE: April 20, 2022

There are more than 150 different types of headaches. In this episode of *Kentucky Health*, Dr. Wayne Tuckson talks with Mandy Whitt, MD, a headache medicine specialist at the Norton Neuroscience Institute, to discuss how she diagnoses and treats headaches.

Kentucky Health: Migraines and Headaches airs Sunday, April 24, at 12:30 pm/11:30 am on KET and Monday, April 25, at 2/1 pm on KET2.

Kentucky Health is a weekly KET program that seeks to improve the people’s health through education and increased awareness. *Kentucky Health* is hosted by Dr. Wayne Tuckson, a colorectal surgeon in Louisville, and produced by Laura Krueger.

KET is Kentucky’s largest classroom, where learning comes to life for more than one million people each week via television, online and mobile. Learn more about Kentucky’s preeminent public media organization at KET.org, on Twitter [@KET](https://twitter.com/KET) and at facebook.com/KET.
