

‘Caring for the Aging’ kicks off new KET initiative

FOR RELEASE: April 1, 2024

As the state’s population grows older, more and more Kentuckians will face the challenges of caring for an aging loved one.

In *Caring for the Aging: A KET Forum*, Dr. Wayne Tuckson, host of the weekly series *Kentucky Health*, and a panel of experts tackle the subject of caregiving and meeting the needs of our aging population. They will discuss options for providing in-home and out-of-home care, the skill levels required to render care at home, respite services and support for caregivers, as well as a host of other issues related to caregiving.

Caring for the Aging: A KET Forum

KET Monday, April 1 • 8/7 pm

KET2 Thursday, April 25 • 9/8 pm

Stream at [KET.org](https://ket.org) and the PBS App

The forum is part of a larger KET initiative called The Next Chapter, which will focus on aging issues and offer a curated collection of programs and resources related to the challenges and rewards of navigating one’s golden years. Over the next year, look for future *KET Forums* covering additional topics related to aging, such as access to healthcare, finances, the aging brain, Medicare and more as well as *Kentucky Health*, *Kentucky Edition* and other KET productions dedicated to this topic.
