

‘Kentucky Life’ explores The Bell Observatory at WKU, a partnership that supports the next generation of Eastern Kentucky country music artists, the Hopewell Museum in Paris, and Butchertown, one of Louisville’s oldest neighborhoods

FOR RELEASE: April 29, 2024

On this episode of *Kentucky Life*, Chip Polston visits The Bell Observatory at Western Kentucky University which houses the Commonwealth’s largest telescope and inspiring future astronomers; checks out a partnership between Prestonsburg’s Mountain Arts Center and online radio station CMH23 Radio that supports the next generation of country music artists from Eastern Kentucky; tours the Hopewell Museum in Paris, Ky., which celebrates the history of Bourbon County; and explores Butchertown, one of Louisville’s oldest neighborhoods housing some of the city’s most iconic landmarks.
