FOR RELEASE: May 5, 2024

There’s only one place in Louisville where you can see Daniel Boone’s handwriting and research the history of your own home. The Filson Historical Society has a rich history of its own in Louisville collecting and preserving items since 1884.

On this episode of *Inside Louisville*, Kelsey Starks talks with Julie James and Patrick Lewis of The Filson Historical Society to learn the importance of preserving – and learning from – Louisville history.
