FOR RELEASE: Nov. 9, 2024

On this episode of *Kentucky Life*, host Chip Polston beholds the variety and quality of public art — murals, benches and sculptures — found in Covington; visits the Cumberland Falls State Resort Park for a wild, whitewater adventure; explores the work of Travis Adams, a master glassblower who studied under Stephen Powell at Centre College and went on to open his own studio, Trifecta, in Lexington; and the Kentucky Pro Football Hall of Fame in Lexington, the only one of its kind in the nation, which ushered in a newest class of Kentucky inductees.
