‘Inside Louisville’ gives viewers an exclusive look at Muhammad Ali International Airport

FOR RELEASE: March 26, 2025

A recent report found Louisville's airport to be the fastest-growing airport in the continental United States, and changes are underway to keep up with the increased traffic. The airport is currently in the middle of a $1 billion upgrade called "SDF Next."

On a new episode of *Inside Louisville,* Dan Mann, executive director of the Louisville Regional Airport Authority joins host Kelsey Starks to give a first look at the upgrades and give viewers a glimpse at the places most travelers don't get to see.
