

Head Back-to-School With KET

FOR RELEASE: August 5, 2025

KET is ready to support educators with a wealth of classroom-ready educational resources as Kentuckians gear up for the 2025-2026 school year. Ready-to-use resources and services encourage critical thinking, creativity, communication and collaboration in schools throughout Kentucky every day.

Offering rich collections of digital media and resources as well as the hands-on experiences and interactive opportunities offered throughout the year, the KET back-to-school site features resource topics including the American Revolution and the 250th birthday of the United States, episodes of *News Quiz*, virtual physics labs and more.

Coming soon, KET's Cursive ConnectionSM will bring fun to cursive handwriting. The step-by-step guide will use New American Cursive, a simplified script that is easy to learn, and includes tips for left-handed students.

Access the KET Back-to-School hub by visiting [KET.org/backtoschool](https://ket.org/backtoschool).

Watch on-demand at [KET.org](https://ket.org) and the PBS App

KET is Kentucky's largest classroom, providing trusted programming, lifelong learning opportunities and essential services to more than two million people each week.
