

‘Inside Louisville’ explores accessible art

FOR RELEASE: Nov. 6, 2025

Accessible art is popping up all over Louisville. On a new episode of *Inside Louisville*, host Kelsey Starks takes viewers inside the newly reimagined ‘Dot Experience’ exhibit at the American Printing House for the Blind. Set to open in 2026, designer Cynthia Torp hopes it will serve as an inclusive model for museums everywhere. The program will also visit a new tactile mosaic designed by Louisville Visual Art. A 2025 KET production.
