KET Introduces New Civics Education Resource Hub

FOR RELEASE: November 14, 2025

KET is pleased to introduce a new civics-focused educational resource hub located on the KET webpage.

The site, featuring content created by KET Education and its public media partners, enhances and supports social studies and civic learning and engagement at all grade levels with a focus on current events, media literacy, American citizenship and U.S. government fundamentals. Students will learn about becoming good citizens through a study of the nation's founding, basic knowledge of how government works and the rights and responsibilities of citizens.

Links to *News Quiz*, *Social Studies Shorts, Civics Made* Easy, resource packages for the Ken Burns documentary *The American Revolution* and more are available.

Access the complete collection of resources at KET.org/civics.

KET is Kentucky's largest classroom, providing trusted programming, lifelong learning opportunities and essential services to more than two million people each week. Learn more about Kentucky's preeminent public media organization at KET.org, on X @KET and at facebook.com/KET.
