Nominations open for KET All Stars Class of 2027

FOR RELEASE: November 2, 2026

Nominations are now open for KET's All Stars program.

The KET All Stars program recognizes and supports educators, community partners, community leaders and learning professionals across Kentucky who are passionate about making a difference in their communities.

Working closely with KET's education team and a statewide cohort, All Stars lead projects shaped by their interests and expertise, create and share educational content and connect others with KET and PBS resources. All Stars complete a two-year commitment that includes two projects. Participants gain statewide recognition, professional growth, greater visibility for their work, collaboration with KET staff and fellow educators, and opportunities to create resources, share effective practices and lead professional learning.

KET welcomes nominations for educators and community partners working in early childhood, K-12 schools, adult and community education, libraries, museums, family resource centers, and other educational settings across Kentucky. Other community leaders and learning professionals whose experience aligns with the goals of KET All Stars are also encouraged to apply.

Nominations open on November 2, 2026 and close on November 20. Selected All Stars will be announced on December 18.
