‘Inside Louisville’ meets judge and mental health advocate Erica Lee Williams

FOR RELEASE: November 12, 2026

Erica Lee Williams served 14 years as a District Court judge in Jefferson County and was named deputy chief judge. At the height of her career in 2021, she was diagnosed with acute myeloid leukemia and forced to retire following a stem cell transplant.

Today, Williams has found a new mission as a mental health advocate for cancer patients. She and her psychiatric oncology team at Norton Healthcare join host Kelsey Starks to explain why this aspect of cancer care is so important and often overlooked.
